BIO AND PERFORMANCE RECORD:

Baron Van Gogh is by Europe's top jumper producer "Burggraaf" (Landgraf x Cor de la Bryere), a Holsteiner who is a Preferent accredited top jumper stallion for the KWPN. By percentage Burggraaf sired more GP offspring than any other stallion in Europe. Baron Van Gogh's dam is the double talented Rigoletto (Ramses) prestatie mare "Viola" who showed at the highest national levels in jumping as well as PSG dressage in Holland. 9 out of 11 of Viola's offspring have shown at international levels, and 2 of them in the Pan Am Games. Baron Van Gogh is her last foal.

Baron Van Gogh finished his 30-Day Performance Test as the youngest stallion with the highest jumping score of all participants. In his 70-Day test he received a high jumping index of 127.46, dressage index of 94.48 and overall index of 108.71. He received some very high individual scores; 9.50 character, 9.5 jumping ability, 9.25 freejumping, 9.00 willingness to work, 9.00 ability to work, 9.00 jumping style. From the guest riders 9.00 for stadium jumping and 8.50 for ridability. Baron Van Gogh is now licensed and approved with the Oldenburg Verband, the ISR/Oldenburg N.A. and RPSI registries and can have BWP offspring for 2010.

Baron van Gogh has produced over eighty nice offspring and they show that his character, gorgeous head and strong hind-end are traits he passes on consistently. Watch for him in the jumper ring at the 2010 Arizona HITS show.

Collection fee only \$97.
