## BIO AND PERFORMANCE RECORD:

Bonfeuer was imported to the US in June of 2005. He is a stunning grey with fantastic chrome. His topline is beautiful and he stands square and correct out of his shoulders. Prior to the 2006-2007 show season, he campaigned successfully in the Pre-green Hunter Division earning numerous champion and reserve champion titles.

This stallion has remarkably powerful, athletic and balanced gaits which he has thrown to his American born foals. He has great scope and a picture perfect jumping technique.

Bonfeuer loves his job and wants to please. He is wonderful on the ground and under tack. With no vices, he is a joy to train and ride. Bonfeuer has 6 foals on the ground all of which seem to possess his movement, length of leg, and quiet temperament.

Bonfeuer was Champion at WEF in 2008 in the Non TB hunter division.

Belgian Stallion Selection 2005 - Scored 2nd out of 100 in the jumping section.
