## BIO AND PERFORMANCE RECORD:

Blue Chip Bloodstock imported Domino from Belgium in 2009 for Olympic Rider, McLain Ward, who trains and rides him. Domino is a beautiful and athletic son of Darco who is the World's Leading Sire of Jumpers for an unprecedented Fifth consecutive year. Darco has produced such Champions as the famed Olympic and International Grand Prix jumping mare, Sapphire, who is also trained and ridden by McLain Ward and co-owned with Blue Chip Bloodstock. Domino possesses not only tremendous scope and power but also speed as seen by his success in the Speed competitions. Domino won his first Grand Prix during 2011 at age 8.

Domino is producing success both in the ring and as a sire as his first two foal crops have produced BWP National High Score Foals including 2010 BWP High Score Filly, Koko Chanel RF, and her full sibling, J adore RF, who was second place in the 2010 BWP Yearling Futurity. Domino had the 3rd High Score Yearling, Kapitalize BC, on the 2011 tour and all Premium Foals. All of Domino's offspring have his great temperament, very correct modern build and tremendous athleticism.

Domino scored a record 90 in the jumping phase when inspected by the Head Belgian stallion judge in 2009. This is the highest jumping score ever received by any BWP Approved stallion standing in North America. Domino earned high honors of "Elite Status" with the BWP through his success in the jumper ring and by his production of high quality offspring.
