## BIO AND PERFORMANCE RECORD:

Ironman is one of those rare stallions who has it all, great temperament, good looks, conformation, intelligence, personality, athletic ability and superb bloodlines, all of which he passes on to his offspring.

Ironman is by Inselfuerst, the second highest scoring stallion ever with a 152.96, and he is the only Inselfuerst son in North America. Prior to being imported as a 2 ½ year old, Ironman received one of the highest scores ever given out for jumping, he went on as a 4 yr, old to win the Midwest International Jumper Futurity and went top 4 at the finals. His real show career began at 8, where Ironman was shown very successfully over the next couple years as an Amateur-Owner jumper, High Modified, Open and Grand Prix horse. In 2002 he placed in 33 out of 38 classes with over half those placings being 1st or 2nd. In 2003 he was Champion or Reserve the majority of the time he was shown. He has demonstrated that he passes on his winning ways by having as many as 8 site champions in a one year span, foal futurity winners, numerous year end winners, zone champions, and national award winners, in dressage, eventing, breeding, hunters and jumpers. His foals have over a 98% Premium rate. Ironman is also ranked one of the top Hunter Breeding sires in the U.S. and in 2007 was #1.
