BIO AND PERFORMANCE RECORD:

In producing successful sport horses, talent is only one aspect of the formula. Jadalco's foals are prized for their kind temperaments, willingness to work, soundness and athleticism. His offspring confirm his status as a top producer of exceptional athletes. Jadalco, himself is an international showjumping grand prix winner. He is also an outstanding amateur horse, combining competitiveness and a kind and forgiving nature. His dam, Ladalca, a daughter of Landgraf, is a well known producer of grand prix horses. His bloodlines contain four of the most popular bloodlines in Holsteiner breeding. Jadalco has over 50 registered foals in Belgium, many of which have achieved success at the national level. His foals are athletic, correct individuals with "amateur" temperaments. His successful offspring include:

- Parole Von Lozerheide: qualified for and successfully competed at the Mechelen Young Horse Finals in Belgium.
- Pazjiva: competing at grand prix level in Spain.
- Quincy: Member of the bronze medal team (Ontario) in 2002 at the North American Young Riders Championships. Also 2nd place in the \$25,000 Clay County Grand Prix in Florida in 2002.
- Odalco: 2nd place in the Four Year old Championship at Devon.
- Tabrisa IJF West Coast Champion – Most Consistent

He completed his stallion testing in Belgium and Jadalco is I.J.F. Nominated.
