BIO AND PERFORMANCE RECORD:

Lansing is the epitome of warmblood endurance, athleticism and personality. He is the product of the classical Landgraf/Cor de la Bryere cross, excelling in the hunter, jumper and the dressage rings. Lansing started his sports career in dressage, then, after successfully passing the 100-day stallion testing, he was shown at the HITS circuits in the preliminary jumper division by Todd Minikus. In the late 90's, Lansing showed in Open Jumper and Grand Prix classes in the Midwest.

Lansing was eventually moved to Florida where as a late 18 year-old he continued his winning ways without missing a beat. The past 2 years Lansing won or placed in numerous \$5-10K mini prix classes and placed in the Regular Working Hunter ring. In 2009 Samantha purchased him and has been successful in the Adult Amateur Jumpers and mini-prix at numerous shows in Florida, SC and GA. At the age of 21, Lansing has finally retired from showing but still loves galloping across fields at the Georgia International Horse Park and being the main man at Fernhill Farm. Lansing produced 2 fillies in 2010, both approved by BWP.

Besides being fully approved by the BWP, he is also licensed with the Oldenburg/International SportHorse Registry and Westfalen associations
