BIO AND PERFORMANCE RECORD:

Lotus T is an exquisite stallion of modern type, displaying world-class elastic movement and unparalleled jumping ability. As a 4 year-old in 2002, Lotus T placed 3rd at the 100-day stallion testing behind two 7 year-old stallions. His total index was 110.23, with jumping index of 119.52. He was awarded the highest scores on gaits from the ground jury. Subsequently he was named potentially the best event sire by the *USEA* magazine. Lotus T has excelled in the hunter ring with numerous championships in the first and second year green divisions and has won and placed in several open welcome stakes and mini prix classes on the Florida circuit in 2007. Besides heading for a Grand Prix jumper and regular working hunter career, he is continuing his dressage training and is highly regarded by several European dressage masters. A prepotent stallion, Lotus T endows his offspring with beautiful heads and toplines, powerful hind ends, long legs, exceptionally elastic movement and incredible temperament (even out of very hot or ill-tempered mares!). His very first offspring, Coverboy was Marshall-Sterling National Champion in 2009 at the age of 7. Eau Claire, a 2004 mare was national 4th place USDF materiale, a performance tested premium mare with the BWP and performance tested premium select mare with the American Holsteiner Horse Association. Lotus T has sired numerous premium colts and fillies in both the AHHA and Belgian Warmblood inspection tours.
