## BIO AND PERFORMANCE RECORD:

Quick Start was approved by the BWP/NAD in 2009. He is the first of the Quick Star line ever approved by the BWP. Since then, Belgium has approved for stallion license other Quick Star progeny at the 2010 Stallion Show in Belgium as the BWP registry recognizes the tremendous potential of this bloodline and the importance to bring it into the BWP line of breeding.

Quick Start's young jumper career shows outstanding promise as an upcoming star. Quick Start features a superior temperament and outstanding character as he truly loves his job as a jumper! His conformation suits his impeccable jumping style. He jumps with tremendous scope and athletic ability. During his competition in the YJC Finals, he was an eye catcher to many top professionals with his fantastic jumping ability!

Quick Start is by the famous sire Quick Star who competed successfully at the highest International levels of show jumping with American/German rider Meredith Michaels Beerbaum. Quick Star was 2nd in the World Cup in Oslo in 1992 and 6th at the Volvo World Cup at Oslo in 1994.
