## BIO AND PERFORMANCE RECORD:

Socrates ("Soccer") is a pinto sport horse with exceptional lineage and character. His pedigree is world class including four top sires in the first three generations (Landgraf I, LadykillerXX, Feinschnitt, Wendekries). In line with his family history, he was the sire of the highest scoring filly in 2004 with a score of 84.

Soccer was imported as a four year old from Belgium as a sport horse stallion prospect both for sport and for breeding. He presents himself with exceptional character and a calm, striking presence, composed, yet playful temperament, and extreme ease in handling. Being a rookie in dressage in 2005, he obtained a top performance record with numerous first places. His scores ranked consistently above 70% in first and second level, with a high score of 79%. He repeatedly received 9s on his gaits and comments on his expressiveness, talent, and energetic performance.

Powerful, fluid movement and superior, expressive gaits; black and white appeal joined with a serene and good-humored temperament an outstanding pedigree, will be the traits to be inherited from this fabulous stallion.
