BIO AND PERFORMANCE RECORD:

Tailored Fortune has it all! He is the epitome of the modern type stallion that everyone is looking for. It is impossible to miss his striking conformation. "Taylor" has an expressive and elegant head, a nice sloping shoulder, and short back and powerful hindquarters. His legs are straight and correct, with good bone and good size feet. He is overall a very attractive horse, balancing elegance and substance. But Taylor is not just another pretty face. He also displays an awesome temperament, like his sire Titan. Taylor is an outstanding mover, receiving 9s in dressage with tremendous jumping ability. He also received a 9 from the BWP judging committee for his canter and gallop! His dam, NOKOMIS DELTA, was recently awarded Michigan Site Champion. Taylor, in his first show season, has won classes in hand, in dressage, in jumping, and eventing. Taylor is definitely following in his sire's footsteps! Taylor, in two shows, has qualified for the Young Event Horse Championship. Taylor has won all three qualifying shows in which he was entered. Taylor was the only four year old to win all of his qualifying classes. In 2009, Taylor had an outstanding show season in dressage.; winning many championships and scoring consistently in the mid-seventies at 1st level. His gaits got rewarded by "8s" and even "9s" and the judges always mentioned that he was an outstanding horse with a big potential in dressage. Olympics riders and Top FEI trainers have commented on his canter, saying that it is "exceptional" and "international" quality. What makes these results even more special is that Taylor won all these awards with a rider that is showing for the first year in dressage!
