## BIO AND PERFORMANCE RECORD:

Sire Baloubet du Rouet was Olympic Champion in 2004 and won 3 times the World Cup. His offspring compete at the highest level. Dam is the Dutch Reserve Champion and 'Keur Preferent' mare Zancara, who is also dam of the approved stallions Great Pleasure and Montreal and Pessoa. Half sister of Bubalu is the Champion 'Keur' mare Diancara, who already produced two approved stallions. Great-dam of Bubalu is the famous 'Keur Preferent Prestatie' mare Shoraya. This mare has brought us one of our best breeding lines. Famous horses out of this line are: Edminton- winner Grand Prix Leeuwarden, Aldato – approved stallion and Grand Prix jumper, Dehlia – 1.50 jump horse and National Champion of the 'Keur' mares, Wildroos – 'Keur Preferent Prestatie' and mother of the International jumpers S.P. Deka and Ishan, Oraya- International Jumper. This Holsteiner family has nr. 474A, just like the stallions Calato, Azteca, Cavalier, etc.

Bubalu competed successful with the Colombian rider Ricardo Villa, they were National Champion of Colombia and placed 4th in the Grand Prix of Kentucky and 5th in the Grand Prix of Saugerties.

Bubalu, now ridden by Jur Vrieling, was 2nd in the Grand Prix Melsomvik and placed 3rd in the Grand Prix of Vestfold February 2011.

At his approval for the BWP in the USA, Bubalu got 86 points out of 100, the highest score ever in the USA. Bubalu is available through frozen semen

The KWPN bred stallion Bubalu VDL got the predicate 'elite' from the BWP studbook. Friday the 21 of Januari Bubalu VDL will be honoured . Bubalu VDL got the 'elite' because of his results in 2010. The darkbay stallion became last year at the stables of Jur Vrieling and the combination had straight away success, so they became a member of the Dutch A-kader. Bubalu VDL became 2nd in the Nations Cup at Falsterbo, they won with the Dutch team the Nations Cup in Dublin and he competed at the World Equestrian Games in Kentucky.
